THE REVIVAL OF FRENCH BEADED FLOWERS

FEN LI

**Waukesha, Mar 17, 2019 ([IssueWire.com](http://www.issuewire.com))** - Fen Li is a Waukesha designer that has just released her first book titled "Bead Flora: the revival of French beaded flowers." French beaded flowers is an ancient art that originated in 1500's France. The artist studies flowers and then recreates realistic looking flowers using small glass beads.

Li, who is also a Bead & Button show instructor, has been making French beaded flowers for 17 years. She shares her years of experience in her new book with many newly developed techniques and innovative ideas. The author will have a book signing at Eclectica Beads in Brookfield, WI (18900 W Bluemound Rd, Brookfield, WI 53045) on March 30th, 2019 from 11 am to 3 pm.
