

Website for Your Dream Diamond Engagement Ring

Launch New Website

London, Mar 28, 2019 ([Issuewire.com](http://www.Issuewire.com)) - JE Marlow & Sons Ltd is delighted to introduce their new branding; “**Diamond Engagement Ring**” bringing an exclusive collection of engagement and wedding rings to you. We realise that such an important day in your life deserves to be complemented with the **perfect engagement ring** for you and your partner.

At DER, you can browse through hundreds of striking designs and styles with an array of diamonds to choose from. Be it a classic round brilliant cut, timeless princess cut or royal emerald cut, you will be able to choose from all these and many more at [Diamond Engagement Ring Uk](http://DiamondEngagementRingUk.com).

We take immense pride in the fact that our craftsmen are so skilled, they can create your dream ring, even if you have no visual references to show us, making your **diamond engagement ring** the engagement ring you dreamt of.

Perhaps you and your partner would like the larger diamond look, sure to be a head turner.... or it might be that you both consider the subtle look more desirable with a smaller diamond, or bands with just small diamonds, either making it your **perfect engagement ring**; we have a collection to suit everybody's taste.

We are also delighted to announce that we are the most **trusted jewellery shop in London** because we offer the best quality certified products at the most competitive prices in both the online and offline market. Also, we have a 28 days return policy which assures you that if the design is not quite as you'd

expected, we will accept the return without any questions.

One of our valued customers, Andrew Simmons, rated us with 5 stars on Trustpilot and commended our services by saying “I purchased a ring from their store in London last year and came back for the free clean and polish. The ring looks as good as new now. Everyone is happy. I had waited to post the review as I actually wanted to see the after-sales service. The ring is amazing anyway.”

Customers like Mr Simmons serve as a motivational force for our team and we strive to ensure that each of our customers is entirely satisfied with our products and services.

Certified jewellery, unique designs, unparalleled customer assistance, complete transparency and timely delivery – these are just a few of the many promises we make to our customers.

You can place your order without any concerns because we assure you that we will be there with you through each step of your order placing and delivery. After all, we want to retain our title of the most **‘trusted jewellery shop in London’**.
