

## Arash Razi, DDS, Dentist with Mission Hills Dental

Get to know Dentist Dr. Arash Razi, who serves the population of Grenada Hills, California.

**New York City, Apr 11, 2019 ([Issuewire.com](http://www.Issuewire.com))** - Dr. Arash Razi is an established Dentist, currently serving his patients in Grenada Hills, California at Mission Hills Dental. Dr. Razi offers general, cosmetic and implant dentistry, utilizing the best dental technology for each and every patient.

Mission Hills Dental utilizes state-of-the-art dental technology. Dr. Razi and the staff feel obligated to

bring the best care possible, therefore, new equipment will always be brought into the office when available.

Dr. Razi's career in dentistry began when he received his Doctor of Dental Surgery degree from New York University, followed by a post-graduate program in General Dentistry, focusing on dental implants and restoration, from MLK/Harbor UCLA Medical Center. With over 500 hours of continuing education, Dr. Razi is also board certified in Invisalign Certification, Implant Certification, and CEU's.

Dr. Razi is licensed by both the Northeast Regional Board and Western Regional Board.

He performs implant and general cosmetic dentistry, including composite fillings, crowns, bridges, root canals and orthodontic work including Invisalign braces. He's trained in the administration of oral conscious sedation, to provide the easiest treatment experience for those patients more comfortable with sedation during dental procedures.

In 2011, Dr. Razi became a Fellow of American Dental Implant Association, and is also a current as well as active member of the International Congress Of Implantology, the Dental Organization for Oral Conscious Sedation, the Academy of General Dentistry, the American Dental Association, California Dental Association, and the Los Angeles Dental Society.

In order to stay up to date with the most current technology, Dr. Razi continues his education through workshops, summits, and conferences. By remaining active in the academic community, Dr. Razi can provide expert care over a range of specialty dental procedures.
