Rejuvenate your spirit with this beautiful music video ‘Mujhe Ishq Sa’ by the brilliant band Dreams Unified. This video is trending due to its melodic soundscape.

Mumbai, Dec 31, 1969 (Issuewire.com) - There isn't anyone in the music industry unfamiliar with the band **Dreams Unified**. Though it hasn't been long since they stepped into the music industry, their music stands as a testament to the magnanimous talent the band possess. The band consisting of three members namely Manu Singh, Fauzan, and Sanidhya Sawarna are the ones responsible for the video '**Mujhe Ishq Sa**'. The latest video '[Mujhe Ishq Sa](#)' is the second music clip they have launched to the audience and it can be said quite easily that their talent has evolved since their last creation. The music clip is composed in Hindi, and it can be said that the band have chosen the best language to communicate the emotions of the video. Taking the genre of soul and RnB this trio has created the perfect blend of romanticism mixed with heartbreak.

'**Mujhe Ishq Sa**' begins with the band grouped together, ready for their performance. As the video progresses the soothing ambience of the track is brought forward to the audience. Each of the singers had their part to play in the video however it is the union of all their vocals together, that makes this video one of a kind in the music industry. The ambience of the video changes as it moves from one part to the next. The soothing lights intensify the mood of the video making it more sensuous in nature. Compared to the previous video 'Batao Tumhi,' which have been recreated by the band with styles and techniques of their own '**Mujhe Ishq Sa**' is the band's **Dreams Unified** authentic creation. The sensuous rhythmic melodies take this video to a whole new level.

The soundscape of the video '[Mujhe Ishq Sa](#)' is kept low with the intense lyricism of the track that acts as contrast adding a wow factor to the music clip. The beats and the bass are kept low and subtle elements of it can be heard throughout the music video. **Dreams Unified** has created one of

the most sensuous and romantic videos thus music has seen in quite a while. The subject theme induced in this video is that of love. The ambience, soundscape and lyric quality are all in perfect synchronisation with each other. **Dreams Unified** connects with its audience through their profile on YouTube.
