

Help Adrienne Battle Huntington Disease!

Nashville, Apr 30, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Hi, my name is Adrienne Lovett and I am battling Huntington Disease. The disease consists of Dementia, Parkinson, and Als. I'm on permanent disability, due to the nature of the disease being terminal. Due to the rarity of the disease, as it is rare and currently no cure or medicine for the disease and extreme of the expenses that come with such an extreme diagnosis. I am looking to raise money to help me pay for medical equipment, medical bills (which is currently 20,000), medication, and other expenses such as living expenses. My husband works and is also my caregiver. I'm being referred for palliative care at the present moment.

Any donation such as, food, medical equipment, money towards living expenses would be such a blessing to our family. We barely are getting by with my ssa and his job salary. We are currently behind on all bills and constantly overdraft. I have been denied long term insurance and life insurance.

I'm writing to ask you to support me and my family whom are barely getting by and will have so many expenses now and going forward. I am currently using a walker due to my muscles deteriorating . Before, I was finally granted ssa after years of denial (even though it's on the compassionate allowance list) My husband worked two job at 80 hours a week just so we wouldn't lose our home. He doesn't know I'm doing this, as he is a very proud man and doesn't believe in asking for help. I don't want him to have to go back to working two jobs, as he recently suggested. Just a small donation of any kind can help me and my family with the transition and progression of my disease.

Your donation will go toward accessibility equipment, medical bills, living expenses, food, medical equipment, and making our home disable friendly.

I know you probably get these request all the time, but I'm including a link to more information about my disease and just grateful if anything for awareness and your time,

Thank you in advance for your contribution. You have no idea how much it means to me to have your support.

Here are the ways you can make a donation:

<https://www.gofundme.com/huntingtondiseasewarrioradrienne>— Send a check, food donation, or medical equipment to the address at the top

— I also would be so grateful for gift cards to grocery stores or the likes and also have a medical equipment wishlist on Amazon.

Thank you again!

Sincerely,

Adrienne Lovett (sorry unable to sign, due to muscle deterioration)
