

Jonathan Z. Rosenbluth, MD, MPH, Hematologist-Oncologist with the Central Jersey Division of Regional

Get to know Hematologist-Oncologist Dr. Jonathan Z. Rosenbluth, who serves patients in Somerville, New Jersey.

New York City, Apr 30, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Board-certified in medical oncology, Dr. Rosenbluth is a hematologist-oncologist who is currently serving patients at the Central Jersey Division of Regional Cancer Care Associates, located in Somerville, New Jersey. The Central Jersey Division of Regional Cancer Care Associates exists to fight and win against cancer and blood diseases. With a team of diverse, talented, experienced, highly trained and deeply committed professionals, the organization remains dedicated to the goal of providing the highest standard of care and support to all cancer and hematology patients.

Dr. Rosenbluth is also affiliated with JFK Medical Center in Edison, New Jersey; and Muhlenberg Regional Medical Center in North Plainfield, New Jersey.

Dr. Rosenbluth received his medical degree from the Robert Wood Johnson Medical School in New Jersey. Thereafter, he went on to complete his residency in internal medicine at Cooper University Hospital in Camden, New Jersey. He also completed his fellowship training in hematology/oncology at Hahnemann University Hospital in Philadelphia, Pennsylvania.

Dr. Rosenbluth is a member of the American Society of Clinical Oncology, the Urologic Oncology Multidisciplinary Committee and the Lung Cancer Multidisciplinary Committee for the Steeplechase Cancer Center (Robert Wood Johnson - Somerset).

Dr. Rosenbluth is actively involved in clinical trials and has specific interests in geriatric oncology, as well as colorectal and prostate cancer.

Hematology, also spelled haematology, is the branch of medicine concerned with the study of the cause, prognosis, treatment, and prevention of diseases related to blood. Oncology is a branch of medicine that deals with the prevention, diagnosis, and treatment of cancer. As a hematologist-oncologist, Dr. Rosenbluth specializes in the diagnosis, treatment and/or prevention of blood diseases and cancers such as iron-deficiency anemia, hemophilia, sickle-cell disease, leukemia and lymphoma. "I have dedicated my career to helping people who suffer from cancer. Cancer is an ever-changing field of medicine, where new strategies and treatments are constantly evolving. The aspect that I enjoy the most is the special relationship that develops. I make a point to listen to you to be sure I understand your needs, and remind you that you are 'in the driver's seat' and are a part of the decision making. I consider my role to be a guide and educator, to explain the problems and solutions clearly, and to prepare you for the future. I provide the hope and reassurance to help you cope with the severity of your illness" said Dr. Rosenbluth.
