Juventus Academy Silicon Valley is very proud of having licensed coaches for all of their programs, as well as multiple top-level fields, and being part of the USDA Academy - the top level Academy for youth soccer in the country. The club is a non-profit that offers multiple Scholarships and Financial Aid programs for every player that is in need of them. The club's final goal for all of their players is to ultimately place them in college programs that secure a promising path in their soccer and educational careers.
