

Lee Weiss Has Made a Number of Comprehensive Therapies Available To Overcome Mental Health Challenge

This Press Release is written to inform the readers that a number of comprehensive therapies are being provided at Elev8 Centers to overcome mental health challenges.

Boston, Apr 19, 2019 (IssueWire.com) - Mental health is a topic of major concern but not many people take it seriously. [Lee Weiss from Boston](#) understands how deep an effect can addiction have on the mental as well as physical health of an individual and that is why he is whole-heartedly dedicated to making comprehensive therapies available for everyone. He is currently serving the community as the chief executive officer of Elev8 Centers.

Under Lee D Weiss' supervision, a number of programs like intervention and detoxification, residential recovery, outpatient recovery, individual recovery and coaching, pastoral counseling, life skills coaching, one on one and group coaching, 1 step program, equine therapy, adventure experiences, art therapy, wilderness therapy, recreational therapy, yoga, massage, acupuncture, and nutrition and wellness are helping individuals have the confidence to move forward in their lives and have a healthy lifestyle.

Lee D Weiss has also served on several philanthropic boards. Some of them are Maimonides School, University of Maryland Hillel, the University Of Maryland School Of Business, the American Heart Association and The Foundation for Jewish Camp.

About Lee D Weiss

[Lee D Weiss](#) is the Chief Executive Officer of Elev8 Centers. He has worked in a variety of roles in the field of substance abuse over a period of fifteen years. He has been a volunteer, business consultant, an operator and owner of inpatient and outpatient treatment and wellness centres. He holds a Bachelor's degree in Business Administration from the University of Maryland where he also received his CASAC-T designation (Credentialed Alcoholism and Substance Abuse Counselor).

Through Elev8 Centers, he is committed to providing comprehensive therapies to the needy across a wide spectrum of addictions and mental health challenges. Elev8 Centers has facilities in Massachusetts, New Jersey, and New York. They also provide comprehensive services to patients to reduce their desire for addictive outlets.
