

Robert J. Joseph II, DPM, Podiatrist practicing in multiple locations

Get to know Podiatrist Dr. Robert J. Joseph II, who serves the population of California.

New York City, Apr 17, 2019 (Issuewire.com) - Inventor and co-founder of DoctorInsole, and co-owner of Optimum Podiatry Services, a group to specialize in Podiatric Care for the elderly in retirement/nursing home facilities, Dr. Joseph practices with Orange View Healthcare and Pacific Oaks Medical Group. Additionally he is the Director of Podiatry at Mission Community Hospital in Panorama City, CA.

DoctorInsole is a revolutionary custom-grade orthotic insole designed for high-impact and maximum control to keep you comfortable on the go. Their unique, patented design promises to help restore alignment, improve posture, and revive feet. They are the first over-the-counter, custom-grade orthotic insole moderately priced at a fraction of the cost of a traditional custom - all without compromising quality.

Dr. Joseph has been practicing as a foot and ankle surgeon for over two decades. He holds an expertise in treating injuries of ligaments, tendons and bones using minimal incision techniques. Specialties include the prevention and treatment of common sports injuries, Plantar Fasciitis and Achilles Tendon tears, as well as bunions and corns. In addition he has published articles in relation to his specialty.

Dr. Joseph's patients have excellent experiences with him, one stating, "Dr. Joseph is the BEST.", another stating "Dr Joseph saved my foot!", while another stating "I cannot thank Dr Joseph enough & his team of the most caring and skilled surgical staff for saving my foot!"

Dr. Joseph completed his undergraduate degree from the University of Massachusetts where he received his Bachelor of Science. Furthering his education he graduated with his Doctor of Podiatric Medicine and Surgery Degree from the Ohio College of Podiatric Medicine in 1995.
