

Roy Edward Denton, MD, Internist with Conway Regional Rehabilitation Hospital

Get to know Internal Medicine Physician, Dr. Roy Edward Denton, who serves the population of Arkansas.

New York City, Apr 11, 2019 ([Issuewire.com](http://www.Issuewire.com)) - Dr. Roy Denton is an internal medicine specialist currently serving patients at Conway Regional Rehabilitation Hospital, a 28,500 square foot inpatient

post-acute care hospital that includes 26 rooms, a dedicated gymnasium, private dining areas, a beauty shop, covered open-air patio, a landscaped ambulation track and courtyard, and onsite parking. The hospital offers onsite physical, occupational and speech therapy services provided by Conway Regional Therapy Services.

Dr. Denton also serves as Medical Director for Conway Regional Rehabilitation Hospital which is the only licensed acute inpatient rehabilitation hospital in Faulkner County.

Dr. Denton specializes in the medical treatment of adults. Internists can act as a primary physician or a consultant to a primary physician. He manages both common and rare diseases. while providing comprehensive care and manages treatment with surgeons as well. Internists establish long-term relationships with their patients and incorporate disease prevention and mental health care into their practice.

Dr. Denton's career in medicine began when he received his medical degree from the University of Arkansas for Medical Sciences College of Medicine in 1986. Driven to further his education and expertise, he completed residencies from East Tennessee State University College of Medicine and University of Missouri-Kansas City School of Medicine. After completing his education, he went on to become board certified in Internal Medicine by the American Board of Internal Medicine. He is also a diplomate of the American Board of Urgent Care Medicine.
