

7 SOLO, Hip Hop artist and owner of Square Biz Records / N House Music, Sony / Orchard Distribution

7 SOLO, Hip Hop artist from Highland Springs, VA, and owner of Square Biz Records / N House Music, has worked in the industry for 25 years in all capacities.

Atlanta, May 15, 2019 (Issuewire.com) - Working with OG Domino, Kurupt DPG, Super Producer MaxPayne Shawty, Switch and others, his career is decorated.

The new singles Minus 25, produced by Switch in Lagos Nigeria, and Shorty Drip, produced by

MaxPayne Shawty are rotating now and are available for download. 7 SOLO is proof that patience is a virtue.

The artist on Square Biz Records, as well as clients of N House Music, would agree that 7 SOLO is a fair businessman and mentor.

Providing great service, creating marketable products, and industry education are his working objectives.

All of the Sony / Orchard platforms carry 7 SOLO works to stream and download... Spotify, Amazon, iTunes, YouTube, Deezer, etc.

I try to keep it simple, know the rules of the game and play accordingly. Being quiet requires focus and that calm allows the answers to reveal themselves.

Be the best You that You can be. Then give'em all you got... straight no chaser.

Square Biz Records releases music from artist worldwide, and 7 SOLO has featured on several of their projects.

A very capable DJ and photographer, there is little that hasn't been done. From clothing lines, Sporty Shorty and Shuggah Shorty to publishing, Seven Square Music / BMI, 7 SOLO is that guy.

At this time in Hip Hop, 7 SOLO presents products that are marketable and unoffensive or derogatory... yet still relevant.

Using many styles and deliveries, combined with the ability to ride any track makes each song an adventure.

Follow 7 SOLO @twitter @sehvenarcamedes @Facebook @7SOLO @instagram @sehvensolo.

Listen and download 7 SOLO from all major platforms, email for exclusives squarebizrecords@gmail.com.

7 SOLO is a Hip Hop artist who likes any track that has movement and energy. He is very capable of writing all genres of music from R&B to Rock.

One listens will lead to another and so on and so on, I promise.
