

Bradley Bruner, MD, Orthopedic Surgeon with Kansas Joint & Spine Specialists

Get to know Orthopedic Surgeon Dr. Bradley Bruner, who serves the population of Wichita, Kansas.

New York City, May 30, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Bradley Bruner is a board certified and fellowship trained Orthopedic Surgeon currently practicing with Kansas Joint & Spine Specialists. He is affiliated with the Cypress Surgery Center of Wichita, Kansas Surgery & Recovery Center, and Surgicare of Wichita. Additionally he is an Anatomy Skills Lab Instructor from the Southwestern College Athletic Training Program. An Attending Physician with the Sports Medicine Panel at Wesley Medical Center. And a Clinical Associate Professor with the The University of Kansas School of Medicine–Wichita, Orthopaedic Residency Program.

At Kansas Joint & Spine Specialists, formerly Orthopaedic & Sports Medicine at Cypress, their strength lies in the education and experience of their orthopaedic doctors, surgeons, and team of dedicated professionals, who exist to provide you with exceptional, compassionate orthopaedic care. They pride themselves on being able to help you perform and live life at your best.

He specializes in arthroscopic knee surgery and has a specific interest in anterior cruciate ligament reconstruction and meniscal repair utilizing the modified Henning Technique.

His patients have excellent experiences with him, one stating, “He listened, and when he made his diagnosis, he explained what the problem was and what my options are. Before seeing him, I'd seen a doctor, a specialist, and had Xrays/MRI none of which gave me any answers to what was wrong. Very happy that I made an appointment with him. If I have any issues in the future, I won't hesitate to go back.”

Dr. Bruner completed his undergraduate degree from Southwestern College where he graduated with a Bachelor of Science. Furthering his education he graduated with his Medical Degree from the University of Kansas School of Medicine. After obtaining his medical degree he completed his internship and residency from the University of Wisconsin Hospitals and Clinics. Furthering his training he completed his Sports Medicine Fellowship from the Mid-America Center for Sports Medicine.

Dr. Bruner is certified in Orthopaedic Sports Medicine, Orthopedic Surgery, Sports Medicine by the American Board of Orthopaedic Surgery. Their mission is to ensure safe, ethical, and effective practice of orthopaedic surgery, the ABOS maintains the highest standards for education, practice, and conduct through examination, certification, and maintenance of certification for the benefit of the public.

To stay up to date in his field, he remains a professional member of the American Academy of Orthopaedic Surgeons and the Cypress Surgery Center of Wichita.

When not working, Dr. Bruner enjoys playing golf and spending time with his grandkids.
