New York City, May 28, 2019 (Issuewire.com) - Dr Daniel S. Boswein is a chiropractor currently practising with his private practice The ART of CHIROPRACTIC. There he holds expertise in Chiropractic Care, Nutrition, Pressure Point Therapy and Muscle Testing. He has a speciality in Scoliosis, Neck Pain, Lower Back Pain, Hip Pain, and Spinal Adjustment. he has a special focus on finding the cause or causes of a problem through muscle testing and or leg length testing.

His patients have excellent experiences with him, one stating, "Dr Dan is much more detailed than any

other Chiropractor I've ever seen. Instead of just a few quick adjustments, he often performs several smaller adjustments, aimed at individual vertebrae. He treats the whole body, including ribs, ankles shoulders, elbows, wrists and knees when needed.”

Dr Boswein graduated with his Doctorate of Chiropractic degree from Life College in 1987, giving him over three decades of experience in his field.

Dr Boswein attributes his professional success to his two mentors, Dr Barry Belgard and Dr Richard Qualls and having the ability to help others at a very high level.

Chiropractic medicine is a healthcare profession that focuses on the relationship between the body's structure—mainly the spine—and it's functioning. Although practitioners may use a variety of treatment approaches, they primarily perform adjustments (manipulations) to the spine or other parts of the body with the goal of correcting alignment problems, alleviating pain, improving function, and supporting the body's natural ability to heal itself.
