

Empowering Exhibitors Has Been the Turning Point for Exhibit Design Industry

New Delhi, May 28, 2019 (Issuewire.com) - Panache has been a vast exhibit design resource for exhibitors in terms of designing and fabrication of exhibit display stand. Bespoke exhibit solutions are tailored with utmost precision and custom requirements as specified by the client. With over a decade's expertise, the company has captured target audience for the client through its team of [exhibition stand contractor](#), designers and fabricators.

The founder of Panache, Mohd Razi Shakir proudly adds: "We have not just focused on the visual treat for the audience through our exhibition stalls, but, even incorporated the business vision of the client wisely. Our calculative approach of designing and fabrication of exhibit display stand has always fetched us the positive response from exhibitors."

Designing, fabrication and installation processes to customize the exhibition booth are practically lined up by the [exhibition stand contractor in India](#). Panache has its in-house stand contractors who are highly skilled and execute the project in a detailed manner. In terms of design, structure, installation and

overall task management activities are carried out in a responsible manner.

Mr. Razi exclaimed to appreciate his team's efforts: "Our team has been the backbone of the company to deliver the accurate exhibit solution with a special emphasis on client's inputs. We have retained happy clients with the dedication and team-work of all the professionals from their respective fields."

At Panache, every client gets the visually attractive and structurally durable exhibit solutions which are backed by high-end compliance terms of software. Be it in terms of graphic designing, fabrication framework of exhibition stall, the organization has given an attention to all the aspects contributing to the final outcome.

At this point, Mr. Razi remarked: "I have seen my team grow professionally in a phenomenal manner. This constant growth of the team has been ongoing. As a result, Panache has also received an overwhelming response from domestic and international clients."

The journey of Panache has been consistent and inspiring as it is creating a new exemplar exhibit design & build solution for clients. Considering the new-age requirements of exhibit design & fabrication solutions, this company is all set to empower clients.
