

Esteemed Psychiatrist, Julio Morales, MD Lends his Skills to the Treatment of Adults, Children & Ado

Get to know Dr. Morales, a highly respected expert in the field of child and adolescent psychiatry.

New York City, May 14, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Julio Morales is a well-versed child and adolescent psychiatrist. He uses his knowledge of biological, psychological, and social factors in working with patients. He evaluates the patient with attention to the individual's physical, genetic, developmental, emotional, cognitive, educational, family, peer, and social components. Based on his diagnosis he develops a customized treatment plan.

Dr. Morales earned his Medical Degree from the National University of Trujillo Academy of Medicine. Established in 1824, 'Universidad Nacional de Trujillo' is a non-profit public higher education institution located in the city of Trujillo, Peru. Dr. Morales completed his residency in Psychiatry at Fairfield Hills Hospital, a now-defunct psychiatric hospital in Newtown, CT that previously housed 4,000 patients.

Driven to further his expertise and knowledge, he gained a fellowship in Child and Adolescent Psychiatry at Washington University.

He is currently a full faculty member and Chair, Child Analytic Committee at the St. Louis Psychoanalytic Institute, an educational center providing psychoanalytically oriented, professional training and continuing education through graduate, post-graduate and community education courses. The goal of the institute is to support the healthy development of the mind and emotions. Dynamic partnerships are forged between therapist and patient, teacher and student,

Dr. Morales is certified by the American Board of Psychiatry and Neurology. He is also a Clinical Professor of Psychiatry and Pediatrics at the Saint Louis University School of Medicine.

Dr. Morales received board certification in psychiatry with an added qualification in child and adolescent psychiatry from the American Board of Psychiatry and Neurology and remains at the forefront of his challenging specialty through professional memberships including the American Psychoanalytic Association (APsaA); and the American Psychiatric Association.

Additionally, Dr. Morales is a private Practitioner in adult, child and adolescent psychoanalysis.
