

Gopenguin Inc Launches A Giveaway For Its New Luggage Collection

Promising Travel and Lifestyle brand 'GoPenguin' is pleased to announce the launch of its five day big Giveaway for lucky customers to own one of their new luggage collection before the main release on Amazon from early June. Don't miss out!!

San Francisco, May 31, 2019 (Issuewire.com) - GoPenguin Inc has been the most trusted lifestyle brand in China and the world has been experiencing rapid growth over time and as well as a significant increase in fan base over the past years. The reputable company intends to always offer the same quality service which the company is been known for by giving back to the society through their Giveaway program. Little wonder the brand is been termed the "King of luggage".

The brand is currently running its new luggage Giveaway. To enter, you can visit the brand website and fill out the entry. Any individual can enter to win. The winner of the new luggage will be selected in June 2019. "The lucky winner will get a hardside luggage in a preferred color of his/her choice," said the CEO of Gopenguin.

The Giveaway is currently running on their website as well as on social media - Instagram, Facebook. This significant milestone achievement will bolster their service flexibility and overall effectiveness to their customers. 'GoPenguin luggage' has already earned a place in the hearts of consumer's selection before its launch.

If there's one item that is currently trending and making waves in the air to be the success of any travel, it's GoPenguin new luggage because it just makes your life easier when traveling. There is nothing worse than a traveling bag causing pain, discomfort and dread every time you pack up to move on.

GoPenguin new luggage is designed to be a traveler's best friend. It helps you pack well, which equates to one magic word: convenience. GoPenguin new carry on luggage is convenient for traveling because there are no problems taking it on-board buses, trains, and planes which not only saves time when arriving and departing a city it is more secure but also can save a fair bit of money.

With what has been heard so far the new luggage collection by GoPenguin is shaping up brilliantly to be one of the biggest product that will hit the market this year. Each product of GoPenguin new luggage has an intrinsic characteristic that is peculiar to them.
