New York City, May 7, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Dr Malik is the CEO and Director of Anesthesia & Pain Care Services. He is Adjunct Clinical professor at Pikeville Osteopathic Medical College, Pikeville KY.

His Main Practice in Richmond KY, is a comprehensive interventional pain centre providing care for patients in Central Kentucky. At the Center, the goal of Dr Malik and his professional team is to provide both short-term and long-term countermeasures to improve patient quality of life. Their motto is: "Why to live in Pain when it can be treated "

Dr Malik recognizes the importance of an integrated approach to pain management; one that is tailored to individual needs. He and his professional team strive to enhance patients' quality of life by reducing acute or chronic pain, thereby increasing patients' ability to enjoy daily activities once again.

Dr Malik received his medical degree from the Allama Iqbal Medical College in Lahore, Pakistan in 1988. Thereafter, he went on to complete his anesthesiology training in the United Kingdom, Ireland, and the University of Kentucky Medical Center in Lexington, Kentucky. He also completed his fellowship training in pain management at the University of Cincinnati in Cincinnati, Ohio.

Dr Malik is board-certified in anesthesiology and has a subspecialty certification in pain management from the American Board of Anesthesiology (ABA). The mission of the ABA is to advance the highest standards of the practice of anesthesiology. As the certifying body for anesthesiologists since 1938, the ABA is committed to partnering with physicians to advance the lifelong learning and exceptional patient care.

Dr Malik holds professional memberships with several organizations, including the American Board of Medical Specialties, the American Society of Interventional Pain Physicians, and the American Society of Anesthesiologists.

Throughout his life, Dr Malik has been involved in professional sports and athletics, winning numerous athletic awards and scholarships. This has given him first-hand knowledge of sports injuries and an uncommon insight into diagnosing and alleviating sport-related pain.

Pain medicine is a medical specialty that focuses on the evaluation, treatment, and prevention of pain. A pain medicine specialist, like Dr Malik, is a medical doctor (MD) who specializes in pain medicine.
