

Intellijoy Partners with AWE Learning on Launch of Platinum

Chester, May 6, 2019 ([IssueWire.com](http://www.IssueWire.com)) - AWE Acquisition, Inc. dba AWE Learning, is excited to announce its recent partnership with Intellijoy. Headquartered in Chester, Pennsylvania, AWE Learning is the leading provider of digital learning solutions for public libraries throughout the United States and Canada.

AWE Learning's newest products, Early Literacy Station™ Platinum, Bilingual Spanish Literacy Station Platinum, and AfterSchool Edge™ Platinum, each include more than 75 new software titles, spanning all STREAM subject areas (Science, Technology, Reading, Engineering, Arts, Math) for early learners. We are excited to offer eleven (11) of Intellijoy's titles on our Platinum workstations. Intellijoy's educational content is used by millions of users to improve reading, math skills, and more. Intellijoy was awarded the Top Developer badge by Google. All content was created with preschoolers in mind, providing young learners with fun, engaging, and educational activities.

Through AWE Learning's partnership with Intellijoy their educational software titles will reach a larger audience and will positively impact early learners. Intellijoy's educational activities help young learners to build school readiness skills, lead them to be successful in the classroom, and in their future. "We are excited to partner with AWE Learning on their new Platinum workstations. Through this partnership, our fun and educational content will reach more young learners. Our content will help to prepare children for success in the classroom," said Alex Turetsky, CEO of Intellijoy.

AWE Learning President & CEO, Dr. Deborah B. Sorgi, said, "We are delighted to partner with Intellijoy Companies like Intellijoy offer a variety of premier educational content for our target age group and markets. Learning doesn't only take place in the classroom. In today's global and connected world, critical skills are learned and mastered all day long. By addressing the foundational literacy skills of early learners, we're lowering the need for intervention programs. And we're giving every child access to

unlimited opportunities to grow and connect. We have no doubt that young patrons everywhere will greatly enjoy interacting on these exciting new titles.”
