

Kathryn “Celeste” Durham, MD, US Dermatology Partners

Get to know Dr. Kathryn “Celeste” Durham, who serves patients in Fort Worth, Texas.

New York City, May 8, 2019 (Issuewire.com) - Dr Durham is a dermatologist serving Fort Worth and the surrounding communities. She is associated with US Dermatology Partners – a practice combining the personal level of care found in private dermatology practices with the benefits of a network of physicians working closely together. As the second largest physician-owned dermatology practice in the United States, they have more than 50 locations throughout Texas and the Midwest.

Dr Durham received her Medical Degree (MD) from the University of Texas Medical School at Houston. She completed an internship in internal medicine at Baylor College of Medicine in Houston and was a clinical research fellow under Dr Adelaide Hebert at the University of Texas Medical School at Houston. Dr Durham completed her dermatology residency training at the University of Texas Medical School at Houston, and she served as chief resident her final year in the program.

Dr Durham is board-certified in dermatology by the American Board of Dermatology (ABD). The ABD is an independent, non-profit organization working to establish common standards for physicians to achieve and maintain board certification.

Dermatology is a healthcare profession dedicated to the health of the skin. As a dermatologist, Dr Durham provides exams, diagnoses, and treatments of all disorders that affect your skin.

During her time in the field, Dr Durham has developed a strong research background with experience in more than a dozen studies. She has published in a number of journals, including the prestigious *Journal of American Academy of Dermatology*.
