Get to know Orthodontist Dr. Krystian Jarosz, who serves patients in the state of New Jersey.

New York City, May 22, 2019 (Issuewire.com) - Dr Jarosz, affectionately known by his patients as “Dr Krys,” is an award-winning orthodontist who has been recognized nationally for the high quality of orthodontic treatment he provides.
Since 2012, Dr Jarosz has been working with multiple private practices in his home state of New Jersey. He is currently welcoming patients at Doctors of Dental Medicine in Dayton, New Jersey. The dental practice provides services for the entire family and strives for an enjoyable experience for all by employing fun, creative ways of teaching patients how to care of their teeth.

Dr Jarosz is also affiliated with Pediatric Dentistry of Millburn and Bedminster - a dental practice that provides individualized oral healthcare in a fun, enthusiastic, and caring environment. There, Dr Jarosz and the team of professionals are dedicated to giving every infant, child, and teenager a healthy, beautiful smile. Their goal is to work together with parents and children to create excellent dental health that will last a lifetime.

Furthermore, Dr Jarosz is affiliated with Adult & Pediatric Dental Studio - a dental practice that serves infants, children, teens, children with special health care needs and adults in Manalapan Township, including the cities of Old Bridge, Marlboro and Freehold, New Jersey.

After graduating in 2011 from the University of Medicine and Dentistry of New Jersey (UMDNJ) with a Doctor of Dental Medicine (DMD) degree, Dr Jarosz went on to complete his internship in oral and maxillofacial surgery at the University of Illinois. He then went on to receive his certificate of orthodontics, as well as a Master of Dental Surgery (MDS) degree from Rutgers University in 2016.

While attending Rutgers University, The Journal of Clinical Orthodontics (JCO) proudly recognized Dr Jarosz as the winner of the inaugural Eugene L. Gottlieb JCO Student of the Year Award, presented by American Orthodontics. Dr Jarosz was selected over 16 other students from schools around the United States in a competition judged by members of the JCO editorial board.

Dr Jarosz is a diplomate of the American Board of Orthodontics (ABO). Founded in 1929 as the first specialty board in dentistry, the ABO is the only orthodontic specialty board recognized by the American Dental Association and in affiliation with the American Association of Orthodontists.

Orthodontics and dentofacial orthopaedics, formerly referred to as orthodontia, is a specialty of dentistry that deals with the diagnosis, prevention, and correction of malpositioned teeth and jaws. As an orthodontist, Dr Jarosz is responsible for locating problems with the positioning of patients’ teeth and with their oral development. His unique combination of surgical, general dental and orthodontic experience places him in a distinct position that allows him to effectively understand, diagnose, and treat even the most complex orthodontic problems.

Dr Jarosz was born in Poland and immigrated with his family to the United States as a young boy. He is fluent in Polish and conversant in Spanish.

Dr Jarosz is married. He and his wife, Maria, have a baby girl. During his free time, Dr Jarosz enjoys spending time with his family and friends. He also enjoys outdoor activities such as hiking, tennis, and soccer.
