New York City, May 8, 2019 ([Issuewire.com](http://www.Issuewire.com)) - Dr Kaminski is an internal medicine physician who is

in practice in Novi, Michigan. His focus is on the diagnosis and treatment of acute medical problems, the management of long-term medical conditions, as well as the promotion of good general health through screening, preventive care, diet, exercise, and other lifestyle improvements. He believes in a partnership between patient and physician and encourages an active role of the patient in their own medical care. “I develop personal relationships with my patients and become their friend, as well as their doctor. From this relationship, I learn and understand what is important to them, what their goals are, and what challenges they face. I see patients as real people, actually, listen to them and treat them with respect, dignity, and compassion. I consider the person as a whole, each with distinctive physical, emotional, social, spiritual, and cultural characteristics” as stated by Dr Kaminski.

Dr Kaminski is currently serving patients at Park Internal Medicine located on the campus of Ascension Providence Hospital Novi. Park Internal Medicine offers compassionate, personalized care within the speciality of Internal Medicine and programs to serve their communities. Dr Kaminski is also affiliated with Ascension Medical Systems.
