

Medplusmart Offers FLAT 20% OFF on every medicine order

Hyderabad, May 10, 2019 ([IssueWire.com](http://www.IssueWire.com)) - MedPlus: One of the most trusted gateways to medicines and personal care items.

With an aim to eradicate fake and ineffective medicines, and supply high-quality medicines in India, MedPlus was launched in 2006 in Hyderabad. According to WHO research, every 1 or 2 in 10 medicines are proven to be adulterated in low/medium income countries like India and MedPlus aspires to bring about a change in this statistic. To encourage and elevate transparency in the functioning of the pharmaceutical industry, MedPlus has been successfully contributing to providing genuine and unadulterated medicines since its inception. Currently operating in 300+ cities, with 1500+ offline stores in India,

This most recent offer Flat 20% Offer all medicines on orders above 999 rupees. Medplusmart has effectively been extending its inclusion of medicinal services as well as personal care products, baby care products, household items and diabetic needs. The process of online ordering is quite simple, fast and convenient. First, search and select the medicines you want and upload your prescription at check out and choose home delivery or store pick up. Select the medplus store where you want to pick the order. For any queries and concerns, the customer care team of the company is available instantly to give a response.
