Fort Campbell North, Dec 31, 1969 ([Issuewire.com](http://www.Issuewire.com)) - When it comes to producing versatility on stage no one can match the artistic skills of the talented **Twenty150**. He is known for his artistic creativity all over the world and it is his creativity and rhythmic tunes that have strengthen the bond between him and his audience. His fun nature is reflected through out his creations but **Twenty150** is

set to let the world known of his abilities through his music. He wants to give the audience a good time through his creations and therefore infuses hypnotic beats to the rhythmic soundscape.

However of his tracks, '[Drugs Is Life](#)' and '[MoshPit](#)' is incredibly famous among music enthusiasts worldwide. Though both the tracks are taken from the hip-hop genre, each of them are poles apart from each other in the creation. In '**Drugs Is Life**' the artist **Twenty150** have collaborated with Ace Bam into bringing this creation to life. The flawless lyricism with its intense soundscape makes it one of the best hip-hop tracks out there in the industry.

The subtle use of other genres can be found in this track as well. Compared to this, '**MoshPit**' is the kind of track that can be enjoyed at the weekend with friends. It will set up the party mood to any club or dance theatres. The artists **Twenty150** takes his influence from famous hip-hop stars like Jay Z, Birdman and Master P. He is currently working on his next project titled as DIE. You can connect with the artist through his Spotify account.
