Foes of the Spiritual Realm and How Christians Can Fight Them

# OUR SPIRITUAL ENEMIES

THE WORLD, THE FLESH,  
AND THE DEVIL

PAUL V. ZYLSTRA

**Pittsburg, May 29, 2019 (IssueWire.com)** - Paul V. Zylstra's *[Our Spiritual Enemies: The World, the Flesh, and the Devil](#)* is a spiritual eye-opener, revealing the powerful enemies Christians meet every day of their lives and how to deal with them effectively, thwarting off the havoc they make as they work past human defences undetected. It underlines temptation and how to resist its strong pull, going back to the vital role faith plays in their lives.

The book is meant to awaken every single Christian to the opposing forces at work—forces that defy human senses—and how to face them. People rely largely on their senses: what they can see, hear, or feel. But they must realize that there are those invisible and incomprehensible to them that they must ward off. Awareness of the said forces and how they attack prepares Christians for the spiritual battle they must win. Paul also tackles the presence of temptation and sheds light on the best avenue to take to overcome and rise past them.

The book is a wonderful help and guide for Christians who are unaware and unequipped to face their spiritual adversaries head-on. It empowers people and instils courage in place of fear. Paul goes beyond senses and digs deeper into the spiritual realm. He gives Christians what they need: a lifeline amidst spiritual enemies that attack the very core of their being, leaving them weak and powerless. This book is anchored in faith and serves as a lighthouse to all those lost in the sea of temptation, guiding every one of them back home.

Paul's work will be exhibited at the BookExpo + BookCon 2019, to be held at the Jacob Javits Center, New York City, this coming May 29 to 31 and June 1 and 2, 2019, at the Authors Press Booth # 1667.
