

Nitin Kanayo Fatnani Joined Microexcel, Hyderabad as Vice President of SAP Practice

Secaucus, May 8, 2019 ([IssueWire.com](https://www.issuewire.com)) - Microexcel today announced the appointment of its new Global Delivery Head. Nitin Kanayo Fatnani is being appointed the Vice President-SAP practice.

With 20 years of experience in the IT world and a successful track record of delivering multiple complex SAP applications and infrastructure programs for global fortune listed customers, Mr Fatnani is more than well suited for this position. He will help establish the technology strategy and vision for SAP practice at Microexcel.

Nitin's specialization includes Implementations, Roll-Outs, Upgrades, Migrations, Integrations, SAP Infrastructure Uplifts, Application Support, Application Development, User Experience / UI Enhancement projects in the SAP ERP, Analytics, IS-U, HANA and S/4 HANA space. He has Managed 5 SAP Implementations & delivered several other SAP projects in different capacities such as Project Manager, Program Manager, Environment Manager, Portfolio Manager & Delivery Manager

To his credit, he has successfully Managed Cloud Transformation Program - Greenfield SAP S/4 HANA Cloud Professional Services Implementation along with Implementation & Integration of SAP Concur, SAP SuccessFactors and non-SAP CRM system via SAP Cloud Platform (SCP).

Microexcel is confident that Nitin will help us deliver heightened customer satisfaction and enhance the brand leadership as a trusted SAP partner with his expertise, enthusiasm and excellence.
