

Northpole Web Service is Celebrating their 500 Followers on Facebook Business Page

Celebration

Mohali, May 9, 2019 ([Issuewire.com](http://www.Issuewire.com)) - Northpole Web Service announced that they have reached more than 500 Likes on the social media platform Facebook. Today we Crossed 500 likes on our Facebook Business Page.

Of the company's recent Facebook success, Crossing 500 likes on the Facebook business page has

been one of the proudest moments for our company. Who knows, this time in a few months we could have 1000 + likes.

To gain this momentous following, NorthPole planned and executing the following tactics :
After deciding, based on gut instinct, that Promoted Posts were far easier to leverage than organic content, NorthPole allotted \$25.00 to Facebook in their social media budget.

Adding our unique and eye-catching images for the posts which give information about the services we provide.

About Northpole Web Service: Northpole Web Service is the best Web Design and Development company in India. Northpole Web Service is based in Mohali, India and founded in 2019. We specialize in offering Web Design, Web Development and Digital Marketing services.
