Get to know General and Restorative Dentist Dr. Paul A. Dona, who serves patients in Casper, Wyoming.

New York City, May 7, 2019 (Issuewire.com) - Dr Dona is a general and restorative dentist who has been in practice since 1977. He is currently serving patients at his private dental practice - Signature Dental - located in Casper, Wyoming. Signature Dental provides quality dental care and hygiene for children and adults alike. The practice offers safe and trusted dental services to residents of Casper,

Evansville, Glenrock, and surrounding areas.

Dr Dona's patients have excellent things to say about him, one stating "Dr Dona is absolutely the BEST dentist in Casper! He also has an amazing staff - from the front desk to Cindy, the hygienist. If you want the most knowledgeable dentist, Dr Dona is your man. I've been with Dr Dona for the last 15 years and had extensive procedures done. He listens to patients and treats accordingly. I have a very low tolerance for pain and made this clear from the very first visit. His staff goes out of the way to make you comfortable. Love this dental practice! 5 Stars!"

Dr.Dona graduated from the University of Wyoming and the Creighton University School of Dentistry in Omaha, Nebraska. He is also a graduate of the Orthognathic Bioesthetics Institute, which teaches reconstructive and cosmetic dentistry.

Dr Dona is a Fellow of the Academy of General Dentistry (FAGD). Achieving Fellowship in the Academy of General Dentistry is one of the few added distinctions a general dentist can achieve. The AGD is the only professional association exclusively serving the interests and needs of general dentists.

Dr Dona is a past President of the Central Wyoming Dental Association (1985-1986) and served two terms on the Board of Directors for the Wyoming Dental Association. The Wyoming Dental Association is dedicated to excellence in the dental profession in Wyoming through continuing education for its members; through advocacy to enhance dental/medical opportunities for practitioners; as well as through assisting its members to achieve the highest level of patient care to service Wyoming's population needs.

Dr Dona is an active member of the Casper Rotary Club and he belongs to St. Patrick's Catholic Church. He has been married to his wife, Rosie, for 35 years. They have a daughter, Kellie, who is married and teaches school in Omaha, Nebraska. Dr Dona and Rosie are blessed with two granddaughters named Clare and Kate.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. As a general and restorative dentist, Dr Dona diagnoses, treats and manages patients' overall oral health care needs, including gum care, root canals, fillings, crowns, veneers, bridges, and preventive education.
