

Rachel A. Riley, DMD, Dentist with Midway Family Dental

Get to know Dentist Dr. Rachel A. Riley, who serves patients in Midway, Kentucky.

New York City, May 6, 2019 (IssueWire.com) - Dr. Riley is a dentist who is currently serving patients at Midway Family Dental, located in Midway, Kentucky. Her health centered dental practice provides numerous services, including teeth whitening, denture care, dental implants, ozone therapy, preventive care, and much more. "To have the opportunity to be a part of the Midway community is truly an honor. The people have been so welcoming. I am committed to providing them the very best in oral care" said Dr. Riley.

A native of Bowling Green, Kentucky, Dr. Riley moved to Lexington in 2012 to pursue her dream of playing collegiate softball. While achieving that dream, she pitched for the University of Kentucky softball program and earned her Bachelor's degree in Biology, graduating Summa Cum Laude, as well as Co-Captain of the team.

Following graduation, Dr. Riley found a new passion – dentistry. She went on to attend the University of Kentucky College of Dentistry (UKCD), where she excelled at the top of her class, earning her Doctor of Medicine in Dentistry (DMD) degree and several other awards. After graduating with distinction from UKCD, Dr. Riley worked as an associate dentist, honing her skills in preparation for her ultimate dream – becoming a business owner and opening her own practice.

Dr. Riley is an active member of the Kentucky Dental Association (KDA). The KDA is the voice of organized dentistry and works with its members to advance oral health in the Commonwealth of Kentucky. The mission of the association is to help member dentists succeed and serve.

Dr. Riley also holds professional memberships with the American Dental Association, the Bluegrass Dental Society, and the American Academy of Oral Systemic Health.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. As a dentist, Dr. Riley diagnoses and treats dental issues, as well as helps patients develop better oral hygiene regimens.
