

REVE Antivirus Launches Partner Program

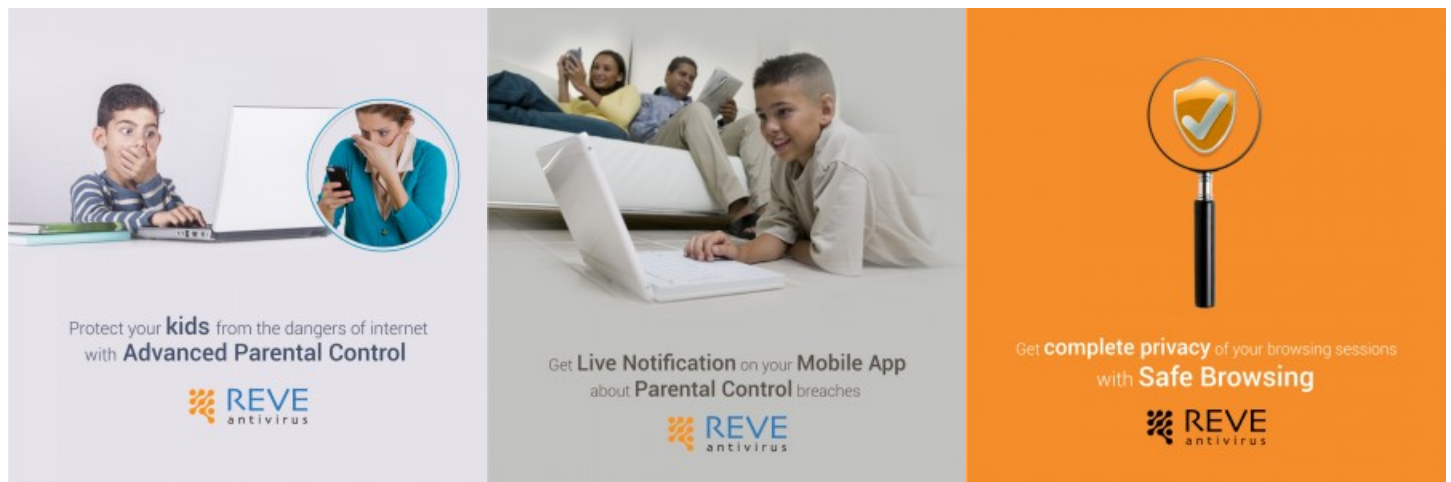

Delhi, May 13, 2019 ([Issuewire.com](http://www.Issuewire.com)) - REVE Antivirus – a well-known name in providing the next generation security products has taken a step further to ramp up channel partner operations across India. To do so, the best antivirus company has launched a new program '[REVE Antivirus Partner Program](#)' for distributors & retailers spread across the nation. This 2-tier program offers a unique opportunity to resellers and end-customers to become authorised tier 1 partner with a low investment of just Rs 2500. Further, the tier 1 partners can appoint tier 2 partners who are authorised licensees of REVE Antivirus.

The partners have the freedom of product stocking, GST paid invoices, offering marketing collateral support & point-of-presence materials to increase product visibility. Complete training is provided to the partners and their staff is offered with regularly updated information on the industry & product. It has been mandatory to enrich them with new skills.

“We have identified tier 1 partners and have started partnering with them. We are offering our products for SMEs & enterprises in association with these partners”, says Sanjit Chatterjee, CEO – REVE Antivirus. He further adds that the India PC Security products market size is close to 700 crores, encouraging security companies like us and also our channel partners.

REVE Antivirus products provide an advanced level of protection to your PC that is essential considering today’s scenario where every other computer is getting hacked. It is vital that one stays protected from [computer security threats](#). Our antivirus software with Anti-Malware technology prevents unauthorized access to your private information. One can also keep an eye on the internet activities of their children with our total security antivirus, offering parental control feature that has become quite necessary.

Associated with some reputed distributors in India namely VinR Enterprise, Garg IT Solutions, Asset Infotech, Jaiparas Infotech, Parshwa Enterprises and Data Structure, REVE Antivirus is scouting for credible partners in Mumbai, New Delhi, Punjab, Rajasthan, and UP.
