# FARMER'S SON, MILITARY CAREER

CLARENCE E. "KIP" VOLD

**Pittsburg, May 29, 2019** ([IssueWire.com](http://IssueWire.com)) - [Farmer's Son, Military Career](#) is the first published book of Clarence E. "Kip" Vold that tells us about his life growing up in a farm in South Dakota. He shares his experience about graduating grade school in a one-room school, attending college for one quarter before realizing it wasn't for him at the time, and then proceeding to have a fulfilling military career for thirty years. What is astonishing about this man is that even after he achieved the highest enlisted rank in the Air Force, he challenged himself by finishing college.

Clarence tells us of, not only the facts in his life, but also the enriching experiences, emotions, and decisions that led to him becoming a Chief Master Sergeant of the Air Force. He has also included some pictures throughout his life for readers to better understand his story. Maybe then they can draw some inspiration from him and identify with his story.

Clarence's work will be exhibited at the BookExpo + BookCon 2019, to be held at the Jacob Javits Center, New York City, this coming May 29 to 31 and June 1 and 2, 2019, at the Authors Press Booth # 1667.
