

Workspace.ae opens its new headquarter in Dubai

Dubai, May 6, 2019 (Issuewire.com) - Dubai based office furniture company Workspace.ae announces the opening of their new headquarter and design center, located at Ground Floor, DNATA Building Sheikh Zayed Road. From the brand's popular modern office furniture collections to bespoke color and finish samples designed by Workspace.ae' in-house designers, visitors to the showroom will find a wide range of office furniture, in a space dedicated to collaboration.

The new 4500 Square Feet headquarter and showroom is located in Sheikh Zayed Road, one of the most strategically important locations and the main artery of Dubai, designed to help people see, touch and interact with products, and for design professionals to collaborate.

"This is an exciting time for Workspace.ae" said Heidar Jouyaeian, Managing Founder of

Workspace.ae. “We have designed a showroom space that we feel will allow us to evolve as a company, showcasing our latest furnishings.”

This new location strengthens the Workspace presence and offers a single location for the sales, support, and design of the modern office products. The new showroom exhibit collection of the latest desks, workstations, acoustic solutions, executive and ergonomic chairs.

The Workspace’s new headquarter will be open from 8:30 a.m. – 6:00 p.m. Saturday through Thursday.

About Workspace.ae
