

1MD Introduces MoveMD, Pioneering New Standard for Joint Health Supplements

Health Platform and Leading Supplement Brand Launches Fast Acting Joint Relief Product

Los Angeles, Jul 1, 2019 (Issuewire.com) - [1MD](http://1MD.org), formulator of scientifically backed, clinically studied health supplements and publisher of health, wellness, and fitness-related content has launched MoveMD, a formula for fast-acting optimal joint support. Available exclusively through 1MD.org, MoveMD is a one-of-a-kind, revolutionary joint health solution with clinical studies showing relief in as little as seven days.

This broad-spectrum joint formula combines the power of Zanthin ® Natural Astaxanthin - which contains 200 times more astaxanthin than standard krill oil - AprèsFlex® bioavailable Boswellia Serrata extract, patented and bioenhanced type X.I.V. eggshell membrane and type II chicken collagen. The powerhouse blend of ingredients works to target every facet of joint health, including, aiding the improvement of crucial synovial membrane and fluid, cartilage, ligaments, and tendons.

“At 1MD, we are constantly innovating, researching and testing to ensure that our products deliver,” says 1MD Founder Ziv Haklili. “We’ve enhanced MoveMD, formerly known as EasyFlex, with new and more powerful clinically proven ingredients to take it a step further by creating a product that is the best in its class and proven to work quickly.”

MoveMD’s scientifically formulated and patented, clinically proven ingredients help increase joint function and flexibility. In addition, it offers relief to those suffering from stiffness and soreness, and provides antioxidant benefits, contributing to improved whole-body health.

MoveMD is backed by years of research and development by 1MD. 1MD Rheumatologist, Dr Adam Kreitenberg, asserts, “In my opinion, 1MD has created the best joint health supplement on the market and I recommend MoveMD to anyone looking to improve joint health, aid joint discomfort, elevate brain health, and boost energy levels and overall systemic relief in the body.”

MoveMD is now available on 1MD.org and is Soy-Free, Gluten-Free, Preservative-Free and available

for \$54.95 for 1 bottle, \$149.85 for 3 bottles and \$269.70 for 6 bottles. Consumers may also sign up for a subscription to MoveMD.
