

Accents Cosmetic Surgery First In Michigan To Bring In COOLTONE Muscle Stimulation

Sterling Heights, Jun 27, 2019 ([IssueWire.com](http://www.IssueWire.com)) - COOLTONE is now FDA cleared for the improvement of abdominal tone, strengthening of the abdominal muscles, and development of a firmer abdomen. COOLTONE is also indicated for strengthening, toning, and firming of buttocks and thighs.

Dr. Mark Berkowitz, medical director at Accents Cosmetic Surgery, exclaims, "Despite spinning on my Peloton bike daily and weightlifting, I have always had trouble with resistant fat. CoolSculpting enabled me to lose unwanted fat without losing any downtime at my medical spa. Now, I am excited to bring in the groundbreaking technology, COOLTONE, to my Sterling Heights and West Bloomfield offices to help stimulate muscle growth and tightening of the stomach, buttocks, and thighs."

Dr. Mark Berkowitz has over 22 years of experience and has performed thousands of procedures. He has over 10 years of education and fellowship training. His medical affiliations include AASC, AAO, and ASOPRS.
