

Award Winning Artist Brant Pethick Drops New Single **HIGHER**

A song of comfort and victory focusing on mental health and revival!

Ottawa, Jun 14, 2019 (Issuewire.com) - More and more, many struggle with mental health issues, it's all around us. Many are overloaded, dealing with an over abundance of stress, struggling to focus on the right things which make a difference in our lives, in finding a balance, or questioning spiritual wisdom and direction.

Higher is an inspiring song of comfort and victory, about seeking hope and guidance through revival. Ultimately, to find strength and move towards a positive mindset.

Watch the compelling new video of Brant sharing the song story and message for his uplifting new song **Higher**.

Higher was awarded a winner (Honorable Mention) in the 2018 International Songwriting Competition. With almost 19,000 entrants world-wide, only 1% of all entrants are selected as Honorable Mention, this is a remarkable achievement.

Higher is available on all major streaming services and media outlets. You can also support Brant's music by downloading **Higher** on his website BrantPethick.com. **Higher** has already been added and featured on several radio stations in Canada, United States and various other countries.
