

Britten Wilder and His Amazing Discoveries

This Press Release is written to inform the readers about Britten Wilder and his amazing discoveries.

Atlanta, Jun 24, 2019 ([Issuewire.com](http://www.Issuewire.com)) - A bestselling author, Britten Wilder has several accolades to his name. He is a noticed relationship coach who has been on the speed dial list of the likes of Michael Jackson, James Brown, and Mick Jagger. Almost all of his books are inspired by his real-life observations. He conducts researches to know his audience better.

During the research he carried out before the release of *Desperate Husbands*, [Britten Wilder](#) discovered that –

- 60% of Atlanta husbands openly admitted they got married because of threats, pressure, pregnancy, intimidation, withholding of sex, or the man thought it would make his partner happy.
- 2 out of 8 husbands surveyed admitted they are on the down-low or have experienced an alternative lifestyle.

- 60% of Atlanta spouses admitted they've cheated. (This includes emotional infidelity, a non-sexual relationship with a shared attraction or chemistry, or physically seeking the comfort of another person other than their mates.)

- 68% of men complained that their wives were too sexually inhibited.

Britten uses these discoveries to help his readers in developing and rebuilding a healthy and committed relationship.
