

Carlo Carmine breaks 10,000,000 \$: he's the richest writer in Italy

The book "Liberati da Equitalia / AER" published by Bruno Editore has made Carlo Carmine the richest author in Italy and one of the Top in the world.

Milano, Jun 14, 2019 (Issuewire.com) - The book is titled "LIBERATI DA EQUITALIA / AER. Techniques and strategies to free yourself from Equitalia / AER in 7 + 1 moves even if you don't know where to start "(Bruno Editore). After being released on 03.09.2018 and having become after a few hours the most downloaded book in Italy, bestseller not only in the Public Law and Business and Strategy Management categories but also in the general Amazon ranking, this manual broke another record: it makes Carlo Carmine the richest author in Italy and one of the Top in the world.

10,000,000 \$. These are the revenues from Carmine thanks to the business of appeals dedicated to the thousands of readers of his book. Not only. The team grew rapidly reaching 40 collaborators, 70 consultants and 104 lawyers in all Italy and offices in San Babila in Milan.

"It is more than 15 years that I help entrepreneurs and professionals to protect their assets against italian collection agents," says **Carlo Carmine**, author of the book "I mainly address entrepreneurs, professionals but also individual taxpayers who believe they have received a folder unfair from Equitalia / AER, they wish to ascertain whether the conditions exist to present an effective appeal. Thanks to the book, in just over 12 months we have gone from 500,000 \$ to 10,000,000 \$. How is it possible? A

simple effect of having put my knowledge at the service of my readers”.

With 10,000,000 \$, Carlo Carmine's results are very close to those generated by the Top 10 international authors. The Forbes world ranking of the highest paid writers include world-famous and popular names such as E. James (\$ 10.5 million), Danielle Steel (\$ 12 million), Dan Brown (\$ 18.5 million), John Grisham (\$ 21 million), Stephen King (\$ 27 million), JK Rowling (\$ 54 million), James Patterson (\$ 86 million).

"Many people think that the only way to succeed with a book is to sell lots of copies and earn with royalties." says [Giacomo Bruno](#), President of Bruno Editore, "Instead, Carlo Carmine has shown that the book can be used as a tool to make know and promote a business, thus bringing new customers into their business. Not surprisingly, what makes an author truly rich and popular nationally and internationally is not so many royalties, but revenue from the sales of products and services generated by the book itself."
