

Countrywide Events Expand its Services in Pan India

New Delhi, Jun 10, 2019 (Issuewire.com) - Proper planning is the crucial factor which influences the success of an event. This is applicable to all types of event, whether it is a product launch, award ceremony, concert, corporate event, wedding, tour or social gathering. An event management company has the potential to add a professional touch to operations. Over the years, individuals and organizations have emphasized the need to hire event managers. These experts are geared up with their leads and updated skills to contribute to the smooth execution of the event.

Among various [event management companies in Delhi](#), CEPL has been providing great services since its inception. The company has shown a lot of potential in managing a wide variety of events. By approaching each event with an innovative mindset and creative outlook, this team has been accumulating success stories one after the other.

The two creative minds and perfectionists behind CEPL are Dheeraj Kumar and Gurjinder Virk. Dheeraj Kumar is the co-founder and the creative director who with his creative bent on the mind and a decade of valuable experience in advertising is the backbone of the company. Gurjinder Virk, co-founder as well, is the dynamic force behind the team's success with performance focused and result-driven planning and managerial skills. Good leaders must lead by example and the duo just does that. Their skills in organizing a successful event, knowledge of the latest technologies, imagination, immaculate planning and execution are unmatched.

As a passionate and enthusiastic event management company, CEPL has been delivering meticulously planned and satisfying events over the past years. When planning an event, they appropriately anticipate the needs of their clients to deliver the best!

The long list of high profile clients includes HCL, Dell, Lenovo, Sony, Hyundai, JK Tyres, Hindustan

Times and several others. The team has mastered organizing various kinds of events like Corporate Event, Activations And Promotions, Social Events, Artist Management, [MICE](#), Exhibition and Sports Events. It is quite commendable that they have been rendering end to end solutions to all kinds of event requirements precisely according to clients' guidelines ensuring that the goals of the events are achieved.

What unique do they bring to the table?

As one of their clients expresses, "Countrywide Events Pvt. Ltd. is a well-integrated Event Management Company that is flexible enough to transform an event that could render diverse benefits. ... they acknowledge our targets as their own." Such passion and diligence in handling every event are what clients have been appreciating about CEPL. As an event management company, this team believes in crafting events into unique experiences. Their years of experience and intense skills give them an edge over the competition. They pull out the most breathtaking and rewarding events within the stipulated budget.

Without any second thoughts, it can be claimed that CEPL is changing the game of event management with its innovative and advanced approach. Considering the consistent performance of the team, the company will soon rule the market across India.
