About IJP Automotive

IJP Automotive was started in 2007, but our history goes WAY back. Ian Pearce, the business leader and lifetime dedicated professional mechanic has been in this business for over 40 years.

Led by this vast experience of working with all types of vehicles and numerous customers in Barry, Penarth, Rhosse, and further afield in Bridgend and Cardiff, the garage has grown an extremely loyal customer base. Some of our customers have been with Ian for more than 3 decades!

In 2018 IJP Automotive relocated to Broad Street in Barry – just by Morrisons. The move was a welcomed shift to a prominent Town Centre location with ease of access to an even wider customer base.

We pride ourselves with a seal of customer satisfaction.

Once you've experienced working with us, you'll know the difference.

You certainly won't want to go back to the complicated and hassle-filled process with any other garage.
