

## John T. Quigley, MD, an Orthopaedic Surgeon with Congress Orthopaedic Associates

Get to know Orthopaedic Surgeon Dr. John T. Quigley, who serves patients in Arcadia, California.

**New York City, Jun 25, 2019 ([Issuewire.com](http://Issuewire.com))** - Dr. Quigley is an orthopaedic surgeon who has extensive experience in total joint replacement and sports medicine. In his clinical practice, he supports

nonoperative and operative management of orthopaedic conditions.

Dr. Quigley is currently serving patients at Congress Orthopaedic Associates in Arcadia, California. Congress Orthopaedic Associates is a highly respected and progressive orthopaedic group dedicated to quality patient care, cutting-edge research, and comprehensive patient education. By bringing the brightest physicians together with the latest techniques, Congress Orthopaedic Associates has a common goal and singular purpose which is to provide total patient care.

Currently, Dr. Quigley is the team physician for La Salle High School in Pasadena, California, and has served as a Clinical Professor of Orthopaedics at USC Medical School for over thirty years. In addition, he mentors and teaches residents during their orthopaedic residency surgical training at USC.

Prior to his current endeavors, Dr. Quigley was Chief of Joint Replacement at Tripler Army Medical Center. He also served as Chief of Staff / Chief of Orthopaedics at Methodist Hospital of Southern California in Arcadia.

Dr. Quigley is board-certified in orthopaedic surgery by the American Board of Orthopaedic Surgery (ABOS). To ensure safe, ethical, and effective practice of orthopaedic surgery, the ABOS maintains the highest standards for education, practice and conduct through examination, certification, and maintenance of certification for the benefit of the public.

Dr. Quigley earned his medical degree from Saint Louis University School of Medicine in St. Louis, Missouri in 1971. He then went on to complete his residency at the same university. He also completed the prestigious Otto E. AuFranc Fellowship in Joint Replacement in Boston, Massachusetts.

Dr. Quigley is a member of the American Academy of Orthopaedic Surgeons (AAOS). Founded in 1933, the AAOS is the preeminent provider of musculoskeletal education to orthopaedic surgeons and others in the world. Dr. Quigley serves on the Bylaws Committee, the Medical Executive Committee, and is a proud member of the Hospital Foundation Board.

Orthopaedic surgery or orthopedics is the branch of surgery that deals with conditions involving the musculoskeletal system. An orthopaedic surgeon, like Dr. Quigley, offers care to patients suffering from problems associated with the joints, bones, muscles, tendons, and ligaments. They perform surgeries to address trauma, injuries, tumors, infections, and other conditions that require surgical intervention. A football and rugby player in college, Dr. Quigley now enjoys playing golf and cycling in his free time.
