

Join Global Inventors and Investors at Silicon Valley International Invention Festival June 24-26

The World Intellectual Property Organization, along with the Swiss Consulate General of San Francisco, hosts the Silicon Valley International Invention Festival Exposition at the Santa Clara Convention Center from June 24-26, 2019

Santa Clara, Jun 11, 2019 (Issuewire.com) - The Silicon Valley International Invention Festival Exposition will be held from Monday, June 24, to Wednesday, June 26, 2019, from 10 a.m. to 5 p.m. [RSVP for free](#) to join hundreds of inventors, visionaries and investors at the Santa Clara Convention Center to create new relationships and learn from the most influential pioneers from leading industries.

This event attracts a large audience and is supported by the World Intellectual Property Organization, the Swiss Consulate General of San Francisco, and the city and the University of Santa Clara in collaboration with the U.S. Patent and Trademark Office. Silicon Valley International Invention Festival is hosted by the International Federation of Inventors Association (IFIA) and organized by PALEXPO SA, which is also the organizer of the International Exhibition of Inventions Geneva.

During the Silicon Valley International Invention Festival Exposition, there will be hundreds of new inventions presented by exhibitors coming from all over the world. Don't miss this opportunity to meet world-renowned inventors who will be presenting cutting-edge technology. The variety of exhibitions span from lifestyle products, which are used in everyday life, to ground-breaking innovations that push the boundaries of modern technology.

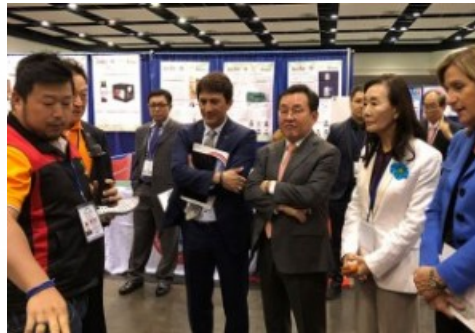

This one-of-a-kind opportunity creates interactions directly between businesses and representatives of the international and local industrial corporations. This innovative event will be located in the heart of Silicon Valley - another reason why innovators, funding professionals, entrepreneurs, engineers, investors, high-ranking organizations, inventors' associations and the like should attend.

Miss the Silicon Valley International Invention Festival Exposition and miss the next big thing.

This event is not only perfect for individuals and companies who are curious about the latest inventions, but it also is ideal for investors, venture capitalists, VC firms, angel investors and startup investors alike. Event organizers have personally invited professionals from such companies as Google Ventures, KKR & Co, Menlo Ventures, Nexus Venture Partners, TriplePoint Capital, Highland Capital Partners, DCM Ventures, The Westly Group and more.
