

Lovedeep K. Randhawa, DMD, BDS, General, Cosmetic & Family Dentist with Triton Dental

Get to know General, Cosmetic & Family Dentist Dr. Lovedeep K. Randhawa, who serves patients in Surrey, British Columbia.

New York City, Jun 27, 2019 ([Issuewire.com](http://www.Issuewire.com)) - Dr. Randhawa is a general, cosmetic & family dentist who is currently serving patients' dental needs at Triton Dental in Surrey, British Columbia. Triton Dental is a family practice with qualified professionals experienced in all aspects of dentistry. Dr. Randhawa and her team of professionals aim to provide top-quality dental care using the latest techniques and

equipment to meet patients' needs.

Dr. Randhawa is a creative, passionate, and hardworking professional who loves to keep herself up to date with the latest in the field of dentistry. Due to her passion for the profession, she has taught 4th year dental students at the University of British Columbia, and dental auxiliary students at CDI College's dental programs.

Dr. Randhawa is a member of the Canadian Dental Association, the British Columbia Dental Association, and the College of Surgeons of British Columbia. She is also a mentor with the British Columbia Dental Association.

Dr. Randhawa earned her Bachelor of Dental Surgery degree from Manipal University in 2000, followed by her Doctor of Medicine in Dentistry degree from the University of British Columbia in 2004. When she is not working, Dr. Randhawa enjoys spending time with her family. She is a wife and mother of two children.

Dr. Randhawa is actively involved in many social welfare movements. She works with several recovery (drug/alcohol abuse) treatment facilities, mental health and substance use community teams, public health units, as well as refugee services in the Surrey and Delta region. She also works with local preschools to deliver lectures and promote oral health awareness. Dr. Randhawa is a preferred Invisalign provider. Invisalign aligners are the clear alternative to metal braces for adults and teens.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. As a general, cosmetic & family dentist, Dr. Randhawa aims to diagnose and treat oral diseases, as well as to help patients develop better oral hygiene regimens.

Medicine and helping people to improve their quality of life have always fascinated Dr. Randhawa ever since she was a young girl. This childhood fascination flourished with the passage of time and she was compelled to complete her studies as a dentist and oral health specialist. Dr. Randhawa is a living manifest of passion and dedication.
