New York City, Jun 3, 2019 (Issuewire.com) - Dr Sharma is the owner of Hilliard Advanced Dentistry in Hilliard, Ohio and East Main Dentistry in Reynoldsburg, Ohio. At both dental practices, she and her team of professionals use the latest in advanced technology and state-of-the-art equipment in offering the best dental care possible. Helping patients to achieve and maintain long-term dental health and a

beautiful smile is their mission. Some of the services that Hilliard Advanced Dentistry / East Main Dentistry provide include: preventative dentistry, restorative dentistry, cosmetic dentistry, sedation dentistry, implant dentistry, prosthodontics, Invisalign, and dental emergencies.

Dr Sharma earned her doctor of dental surgery degree from The Ohio State University in 2006, where she graduated top 10 in her class. Wanting to further her education, she went on to complete a three-year residency in prosthodontics at The Ohio State University, where she earned her master of science degree and earned a speciality certificate in prosthodontics.

Having extensive training in laboratory procedures and broad knowledge of dental materials and state-of-the-art techniques, Dr Sharma serves as an architect of specific dental treatment plans necessary to create beautiful and natural-looking smiles.

Dr Sharma maintains a level of dental excellence through extensive continuing education and active membership with various professional organizations including the American College of Prosthodontics, the American Dental Association, the Carl O. Boucher Prosthodontic Society, the Ohio Dental Association, and the Columbus Dental Society.

Dr Sharma has received various awards for her services in the field of dentistry and patient care. She is a recipient of the Spectrum Award, Excellence in Patient Satisfaction Award, Peer Review Award, and Women of Distinction Award. Moreover, she has been voted as America's Top Dentist for the past 8 consecutive years.

Dr Sharma has been actively involved in the community through the Leadership of Dublin, Smile from Heart, ASHA-Ray of Hope, and other charity events.

Dentistry, also known as dental and oral medicine, is a branch of medicine that consists of the study, diagnosis, prevention and treatment of diseases, disorders, and conditions of the oral cavity. As a dentist, Dr Sharma diagnoses and treats dental issues, as well as helps patients develop better oral hygiene regimens. "Dentistry is my passion. I want to be liked and remembered by my work. My goal is to provide utmost patient comfort, highest quality of care, and build long term relationships. Skill and compassion go hand in hand when providing exceptional patient care. As a dental professional, I stay up to date on the latest advancements in dentistry in order to provide the most current treatment options for my patients. As a doctor, I recognize that my patients are unique individuals who have placed a great deal of trust in me and my team. That is just one reason why I value each and every patient relationship" said Dr Shama.

Dr Sharma has been named a 2019 Top Invisalign Provider. Invisalign is a type of orthodontic treatment that helps to straighten teeth without the use of the typical metal braces.

Outside of her professional activities, Dr Sharma and her husband, Sorab, are very much involved in raising their two daughters. The family enjoy biking, playing soccer, gardening, and numerous other outdoor activities. Dr Sharma has a younger brother and two younger sisters who are all doctors of internal medicine.
