

OnTarget Digital Services, LLC Announces Another New Program

Helping Businesses To Increase Online Referrals and Gain Valuable Customer Feedback

Canyon Lake, Jun 24, 2019 (Issuewire.com) - OnTarget Digital Services, LLC launched its digital marketing services company back in [January 2019](#) to help businesses develop a positive online image and search presence. This month, they are announcing another new program to increase online referrals and gain valuable feedback from their clients' customers.

OnTarget Digital Services' customers now have access to fully-customized [point-of-sale printed materials](#) offering that integrates with their successful survey application. The printed materials help the business with branding, website awareness, and most importantly providing QR code links for customers to easily access the company's survey to provide valuable feedback.

"Our Send A Survey mobile app and full-service Reputation Management program have provided great results for our valued clients," says Tina Inkrote, Managing Partner of OnTarget Digital Services. "We love innovating to find new ways to help our clients achieve online success with a fully-integrated digital marketing program."

Add this new POS materials service to an already powerful and effective platform for monitoring reviews and reporting survey activity as well as the Send A Survey mobile app (available on both [Android](#)

and [Apple](#)), and you have a complete package for any business looking to improve or maintain their online reputation.

In addition to their Reputation Management program, OnTarget offers a variety of other marketing services including search marketing, social media management, graphic design, search engine optimization, email marketing, website design, and online content creation. To learn more about the full suite of services OnTarget has to offer, and find out how they can help your business, please contact them [here](#).

Dawn Varga, Managing Partner of [OnTarget Digital Services](#) states, “Our products and services provide a great value and high ROI for our clients, and our customer services are second to none.”
