

Scott G. Neuburger, DC, Chiropractor / Chiropractic Director with The Houston Spine & Rehabilitation

Get to know Chiropractor / Chiropractic Director Dr. Scott G. Neuburger, who serves patients in Houston, Texas.

New York City, Jun 27, 2019 (Issuewire.com) - Dr. Neuburger is a chiropractor who is an owner/operator with The Houston Spine & Rehabilitation Centers - a comprehensive chiropractic, physical therapy, pain management, and spine surgery treatment facility, providing services in Houston, The Woodlands, and Sugar Land, Texas. The chiropractic and physical therapy doctors of HSRC

dedicate themselves daily to accomplishing the mission of healing the body, mind, and spirit of every patient they encounter and to providing the highest quality health care.

Dr. Neuburger currently serves as Chiropractic Director of The Houston Spine & Rehabilitation Centers in Houston, Texas. Dr. Neuburger is a 1995 graduate of Texas Chiropractic College where he earned his Doctor of Chiropractic degree, as well as his Bachelor of Science degree in human biology. He is also a graduate of Sam Houston State University where he earned his Bachelor of Business Administration degree.

Dr. Neuburger has completed over 175 hours of post-graduate training at the Texas Back Institute towards his Diplomate in Chiropractic Orthopedics. He has extensive training in dealing with and treating industrial related, and trauma related injuries. Dr Neuburger also prides himself in treating everyday musculoskeletal related pain that patients deal with.

Dr. Neuburger is a member of the Texas Chiropractic Association (TCA). Established in 1915, the TCA is an Austin-based statewide, non profit organization of Doctors of Chiropractic. The organization is comprised of 12 districts representing the entire state. In 2019 Dr. Neuburger was named a Top Chiropractor in the greater Houston area.

Chiropractic is a form of alternative medicine that mainly deals with the diagnosis and treatment of mechanical disorders of the musculoskeletal system, especially the spine. A chiropractor uses spinal manipulation and other techniques to manage patients' health concerns, such as neck pain and back pain. They aim to improve patients' functionality and quality of life by properly aligning the body's musculoskeletal structure and enabling the body to heal itself without medication or surgery.

Dr. Neuburger resides in the Houston area with his wife, Missy, and their three beautiful daughters. He attributes his success to his loving wife Missy of 28 years, his chiropractic and business partner Dr Mark Yezak, and his amazing staff that surround him every day. Dr Neuburger is forever grateful for his patients that have allowed him to participate in their health care needs.
