Get to know General Dentist Dr. Sulbha Midha, who serves patients in **Mason, Ohio**.

New York City, Jun 6, 2019 ([Issuewire.com](https://www.issuewire.com)) - Dr Midha is a general dentist who believes in a holistic approach to dental care. She is currently serving patients' dental needs at her own private dental practice - Healthy Smiles Dental Care - in Mason, Ohio. Healthy Smiles Dental Care provides a wide variety of dental services and procedures to address patients' dental health needs. Dr. Midha and her staff take the time to connect with patients and to give them the thoughtful attention they deserve. Healthy Smiles Dental Care remains committed to delivering the highest quality dental care and does so using advanced dental equipment.

Dr Midha received her Bachelor of Dental Surgery (BDS) degree in India in 1993. She then relocated to the United States, where she received her Doctor of Dental Surgery (DDS) degree from the Indiana University School of Dentistry in 1999. To further advance her education and experience, Dr. Midha went on to complete her residency in general dentistry at Miami Valley Hospital in Dayton, Ohio.

From 1999 to 2007, Dr Midha worked as an associate dentist in private dental practice and subsequently for the Cincinnati Oral Health Council. During this time, she gained extensive experience in providing comprehensive dental treatment to both adults and children.

Dr Midha's extensive educational background and her passion towards serving people have made her a successful dentist in Mason and the greater Cincinnati area. She helps her patients in every way that she can and provides the utmost level of dental care for every patient. In addition to practicing full time, Dr. Midha keeps current with new dental technologies and has taken on numerous postgraduate education courses.

Dr Midha is an active member of the American Dental Association, the Ohio Dental Association, the U.S. Academy of General Dentistry, and the Cincinnati Dental Society.

When she is not practicing dentistry or spending time with her family, Dr Midha enjoys meditating and serving the community. In fact, Dr Midha recently opened a meditation centre next to her practice that is open to all for free regardless of background.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. A general dentist is a primary care dental provider who diagnoses, treats, and manages patients' overall oral health care needs, including gum care, root canals, fillings, crowns, veneers, bridges, and preventive education. Dr Midha has extended her areas of expertise with certification in Invisalign® orthodontics and sleep apnea appliances. She believes in educating her patients on all of their dental needs.
