Zurich, Jan 23, 2019 ([Issuewire.com](http://www.Issuewire.com)) - For over 35 years MH Finance, the provider of Swiss Wealth Confidence, has helped clients build their wealth portfolios, many to a quite impressive degree. Priding themselves on transparency and delivering superior service to clients this has manifested in many ways. One of the most recent is the announcement of the grand opening of a new Swiss Wealth Confidence Service Center in Zurich, helping bring to life their vision of being a central location that handles client communications, European exhibitions and act as a working as contact center for DACH-Countries. (Germany, Austria, Switzerland).

This will be very big for us here at Swiss Wealth Confidence because it will help our clients in a real way,” commented a spokesperson from the firm. “And the happier our clients are the happier we are.”

According to the company, the last year has seen their client investment's skyrocketing, a trend they hope to see continue. A very small investment is the only requirement to come on board.
