

Britten Wilder Covers and Elaborates On A Wide Range of Topics during His Relationship Seminars

This Press Release is written to inform the readers that Britten Wilder covers and elaborates on a wide range of topics during his relationship seminars.

Atlanta, Jul 22, 2019 (Issuewire.com) - International bestselling author, [Britten Wilder](#) is a relationship consultant for some of television's hottest shows. Besides that, he is the personal therapist for many top music artists and Hollywood celebrities and is the "Go to Guy" for many popular contemporary publications as well. Wilder is also widely popular for his empowering relationship

seminars that have taught several troubled couples how to reinvent their marriage, rekindle the lost passion, and sidestep the pitfalls of their relationship.

When it comes to picking topics for his seminars, Britten Wilder likes to speak on things that couples can easily relate to or wish they knew about earlier. He covers and elaborates on such topics as What your father didn't know or forgot to tell you about how to get or keep a woman. What your mother didn't know or forgot to tell you about how to get and keep a man. Why women cheat even when they have a good man. The most popular places men go to cheat, etc.

Wilder ends his relationship seminars with one of his famous quotes: "Relationships are not complicated, we make them complicated."

About Britten Wilder

[**Britten Wilder**](#) is a well-known author whose first international bestseller entitled, *Getting and Keeping your Mate Trained, Whipped, Faithful and on a Leash* won him accolades around the world. Following the massive success of his first and subsequent books, Wilder got invited as a guest on many major talk shows. A former talk show host and relationship consultant for some of television's hottest shows, the author has studied relationships in 10 different countries. He is also a former writer/producer for the award-winning, nationally syndicated top twenty radio show, *Coast to Coast*; which is heard in 300 markets around the world.
