

Daniel L. Shurman, MD, FAAD, FACMS, Dermatologist with Pennsylvania Dermatology Partners

Get to know Dermatologist Dr. Daniel L. Shurman, who serves patients in Laurys Station, Pennsylvania.

New York City, Jul 3, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Dr Shurman is a board-certified dermatologist and fellowship-trained Mohs surgeon. He is currently serving patients' needs at Pennsylvania Dermatology Partners in Laurys Station, Pennsylvania. Pennsylvania Dermatology Partners specializes in medical and surgical dermatology. The medical professionals working there treat a full spectrum of diseases of the skin, hair, and nails. They also specialize in the detection and treatment of skin cancers.

The focus of Dr Shurman's practice is the treatment of cutaneous neoplasms using Mohs micrographic surgery. His primary interest is in the area of facial reconstructive surgery, which involves managing the repair of complex cutaneous defects.

Dr Shurman's research interests include medical genetics, antibiotics in dermatologic surgery, and wound healing. He has published many peer-reviewed articles on these topics and wishes to continue to contribute to the advancement of his specialty.

Dr Shurman, a native of Pennsylvania, attended Temple University School of Medicine. He completed his residency in dermatology at Thomas Jefferson University before going on to attend a fully accredited fellowship in both Mohs micrographic surgery and procedural dermatology at the Dermatologic Surgery Center.

Dr. Shurman is board-certified in both dermatology and dermatologic surgery by the American Board of Dermatology (ABD). The ABD is an independent, non-profit organization. It is one of 24 medical specialty boards that make up the American Board of Medical Specialties.

Dr Shurman is a member of the American Society for Dermatologic Surgery, the Philadelphia Dermatological Society, the Pennsylvania Medical Society, and the Berks County Medical Society. He is also a Fellow of the American Academy of Dermatology and a Fellow of the American College of Mohs Surgery.

Dermatology is the branch of medicine dealing with the skin, nails, hair and its diseases. It is a specialty with both medical and surgical aspects. As a dermatologist, Dr Shurman specializes in treating conditions of the skin. Dermatological duties include taking consultations, providing screening tests, as well as undertaking non-invasive surgical procedures.

In addition to his love of caring for patients, Dr Shurman is an avid tennis player. He also loves to exercise and most of all, he enjoys spending time with his wife, Julie, and three children - Alexa, Jesse, and Blake.
