

Ellis James Designs Unveils The Large Makeup Train Case

The beautiful Ellis James Designs classic gets an upgrade

London, Jul 1, 2019 ([Issuewire.com](http://www.Issuewire.com)) - Ellis James Designs introduces the new Large Makeup Train Case into their product range. Following the footsteps of their classic Mini Makeup Train Case, the Large Makeup Train Case is a new and expanded version, with a bigger capacity that aims to fit more than a woman's beauty regime could demand - including a hair straightener.

The new Large Makeup Train Case has 12 multi-size elasticized slots to fit makeup brushes and beauty

tools, complete with a cover to protect stored brushes. The train case has the added feature of one large zip pocket can store loose items, such as hair ties or bobby pins, to make sure everything is organized, especially when in transit. It also comes with a removable zip pouch, to easily pack and take any on-the-go essentials and necessities. The bag has a spacious main compartment that comes with 4 removable velcro dividers, so anyone can truly customize the bag to fit any needs.

The Large Makeup Train Case has a wipe-clean interior and waterproof padded exterior, to keep products inside safe. As with all Ellis James Designs bags, its classic quilted design epitomizes luxury, heritage and classic style. Each bag is carefully designed with customer feedback in mind.

Whether it's for yourself or for a loved one, every Ellis James Designs product is a gift. Your Ellis James Design bag is wrapped and boxed with the love and attention of a family member.
