Get to know General & Cosmetic Dentist Dr. Fred C. Stalley, who serves patients in Redondo Beach, California.

New York City, Jul 16, 2019 (Issuewire.com) - Dr. Stalley is a general & cosmetic dentist with over 32 years of experience. He is currently serving patients' dental needs at Redondo Beach Dental Group in California. Redondo Beach Dental Group is a dedicated group of friendly and patient-oriented doctors, hygienists, assistants, and support staff who believe in doing the work right the first time around and treating patients like family members. The team of professionals believe in providing the "fine art of dentistry" through technology and experience.

Dr. Stalley believes in the true and life-long art of dentistry. He is most passionate about helping and empowering others to be healthy and to understand their dental needs. It has always been his goal to see his patients healthy and disease-free. He accomplishes this by sharing his knowledge one-on-one and delivering high quality dentistry.

New technology and clinical innovations in dentistry are progressing at an amazing rate, which is why Dr. Stalley believes it is imperative to stay current through continuing education in all aspects of dentistry. He has consistently completed hundreds of hours of continuing education over the past decade and was honored to be the recipient of the Outstanding Commitment to Life-Long Learning Award by the USC School of Dentistry.

Dr. Stalley earned his Bachelor of Arts degree in chemistry from the California State University Long Beach. He then went on to earn his Doctor of Dental Surgery degree from the University of Southern California. Thereafter, he completed his general practice residency at USC Medical Center/Los Angeles General Hospital, followed by his residency in implantology at Loma Linda University.

Dr. Stalley is a member of numerous professional organizations, including the American Dental Association, the California Dental Association, the Western Dental Society, the American Academy of Periodontology, the American Academy of Cosmetic Dentistry, the Academy of Laser Dentistry, the Academy of Osseointegration, the International Congress of Oral Implantologists, the American Academy of Implant Dentistry, and the California Dental Society of Anesthesiology. Additionally, he is an Associate Fellow of the American Academy of Implant Dentistry.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. As a general & cosmetic dentist, Dr. Stalley has the expertise to complete an array of commonly performed dental procedures that are simple or complex in nature. "To me, dentistry is and always has been exciting and challenging because every person and the clinical situation is different. I see this as an opportunity to build a personal relationship with each and every patient and provide them with the best possible care" as stated by Dr. Stalley.

Dr. Stalley has been published in the California Journal of Dentistry. Born and raised in Los Angeles, Dr. Stalley currently lives in Rolling Hills Estates with his wife, Laurey. The couple has three grown children, all of whom are married, and five grandchildren. In his spare time, Dr. Stalley enjoys traveling, playing golf and backgammon, learning foreign languages (he is fluent in German), participating in outdoor water sports, swimming, and boating. Cars are also his hobby - both antique and exotic. Dr. Stalley is involved in various community fundraisers. One day a week, he provides dental care to the needy through the non-profit Children's Dental Center of Greater Los Angeles.
